 - a. Melissa made a motion to approve the minutes from the Nov 19, 2025 meeting. Vicky seconded the motion. None Opposed. **Motion carried.**
4. Treasurer's Report 7:35 pm
 - a. Account updates - Vicky
5. New Business 7:40 pm
 - a. New wishlist requests from school (if applicable)
 - b. New requests (if applicable)
 - i. Communication - school asked if we could send out a request for a volunteer Gardener for library living wall - none opposed.
 - ii. Communication - school asked if we could send out information on the Education Matters fundraising campaign supporting outdoor learning for LEAD and students in need - none opposed.
 - iii. Funding Updates - The Site canceled and Confederation Park rescheduled. School may not need the entire \$3000 approved budget now, but we left as is until we have more information
 - iv. Request for funding - school requested \$500 for new/replacement library books and \$800 for new teacher resource books. These include books that tie into the Confederation Park "learning on the land" trip. Discussed and proposed a request for \$1300 for these books from the Casino account. None were opposed. **Motion carried.**
 - v. Request for funding - school is trying to create room in their budget where possible and proposed a request for \$3000 for paper. This seems like an operating expense and may not comply with AGLC rules. Additionally, it was felt that paper is a basic expense that should be covered by CBE and the association would rather pay for other items. Melissa will share the AGLC guidelines with Larysa and Robin to determine if there are other items we could fund to help.
 - vi. Spirit Wear - proposal was made to purchase spirit wear toques for the staff and students. Costs are significantly lower with larger volumes, but it is estimated

that it would cost ~\$2300 to purchase 225 toques. Vicky will contact the vendor with some of our questions (can we get names or initials embroidered?). A tentative budget of \$2300 from the general account was proposed. None opposed. **Motion carried.**

- vii. Spirit Wear continued - There have also been many inquiries into reopening the spirit wear store. It should be much easier after our first campaign with our Zeffy online storefront. With the purchase of toques we are already meeting minimum requirements, so it was decided to proceed with opening it. Timing and other details TBD.
- viii. Approval of items on hold - there were several proposed items that we had not been able to approve until we knew how much money was left over in the general account after last year. The following items were proposed from the general account: \$300 for teacher meal at Spring conferences, \$500 for teacher appreciation, \$200 LEAD potluck, \$1300 for activity day gelato, \$150 for kindergarten graduation, \$550 for Grade 6 Farewell, and \$200 Mackie Party Overage Buffer. Items were discussed. None were opposed. **Motion carried.**
